Bring Your Own Device - Student preference			
<p>Please refer to www.ormiston.school.nz for minimum specifications. We encourage all students to bring their own device (BYOD) to enhance their learning where appropriate. Students are able to access the internet via our wireless network while on campus.</p>			
<p>Our recommendation would be to consider a device for learning that has a minimum screen size of 9 inches, is touch-screen enabled with a battery life of 6 hours.</p>
